CDHD OFFERS FLU CLINIC FOR HIGH RISK GROUPS

The McCall office of the Central District Health Department (CDHD) will hold a by-appointment-only flu clinic for High-Risk individuals on **Monday December 12, 2006 from 8:30 a.m. –1:00 p.m.** The CDHD McCall office is located at 703 North 1st Street.

High-risk individuals include anyone fitting these criteria:

- People 65 years and older;
- Children and adults 2–64 years old with chronic health conditions such as asthma, heart disease, diabetes, or kidney disease;
- All children 6–24 months of age;
- Breastfeeding and pregnant women, or those planning to become pregnant during flu season;
- Health-care personnel who provide direct patient care;
- Residents of long-term care facilities; and
- Household contacts and out-of-home caregivers of children less than 6-months old.

Appointments will be required for the High-Risk Flu Clinic, please call 208-630-8002 for an appointment or more information. The cost of the flu shot is \$14 for children 6 months to 18 years and \$22 for adults.

For more information on influenza or other health-related topics please visit the Central District Health Department website at www.cdhd.idaho.gov or call the McCall office at 208-630-8002.
